

MOTION BY SUPERVISOR DON KNABE

April 6, 2010

Related to Item 34

The California Coastal Commission conducted a Periodic Review of the Marina del Rey Local Coastal Program (LCP), and transmitted the Periodic Review to the County on April 30, 2009. Through the Periodic Review, the Coastal Commission made recommendations to the County for modifications to the LCP. While the County is not required to make the recommended modifications, if the County does not adopt the Coastal Commission's recommendations, the County is required to respond to the Periodic Review within one year explaining its reasons for not adopting these recommendations.

I, THEREFORE MOVE that the Board of Supervisors approve staff's recommendation, including the proposed changes to the Report, and instruct the Director of Planning to transmit the County's Report on the Marina del Rey Local Coastal Program Periodic Review to the California Coastal Commission no later than April 29, 2010.
